Dear Parents/Carers,

**Leading Parent Partnership Award (LPPA)**

As previously advised, as part of LPPA we are continually looking for ways we can develop our relationships and communication with the families of our pupils.

With relation to this we would be grateful if you would provide your viewpoints on a number of issues, including potential year group information meetings you make like to be provided.

You can access the first short questionnaire by clicking on this link:

May we express our thanks for all comments received on the questionnaire. The working group will be meeting again soon and if you would like to be involved then please contact the school.

Many thanks,

Mr. M Horner (LPPA lead on behalf of the LPPA working group)
