

"Teach a child in the way he should go, and when he is old he will not turn from it" Proverbs 22:6

17<sup>th</sup> April 2024

Dear Parents/Carers,

As part of our mission to continue to develop a love of reading across school and build our partnership with parents and families, we would love to invite you into school to our 'Stay and Read' event this half term.

On Friday 3<sup>rd</sup> May your child's class teacher will invite you into their classroom at 2:45 pm. You will enjoy listening along to the current class story before having some time to read with your child. The session will last around 25 minutes and once it has finished you are welcome to take your child home. If you have a favourite children's book or poem that you would like to recommend or share with the children, then please do bring this along!

Please can we ask, that due to space, only one adult per child attends the session. We appreciate in the cases of siblings in different year groups parents will only be able to attend one session. There will be other opportunities throughout the year for further stay and read sessions.

If you have any books at home that you think would be appropriate to donate to school to keep our class libraries updated, then please let us know and feel free to bring them in. We are always looking for ways to improve the book selection available for our children.

We look forward to sharing our love of stories with you all!

For safeguarding purposes, please complete the electronic form below to confirm your attendance.
