Art & Design

At Deepcar St John's C of E Junior School, we believe, like Pablo Picasso did, that every child is an artist. We believe that a high-quality Art and Design education should engage, inspire and challenge all pupils, equipping them with the knowledge and skills to experiment, invent and create their own works of art, craft and design.

Using the Kapow Primary scheme of work, children will:

Produce creative work, exploring and recording their ideas and experiences

Be proficient in drawing, painting, sculpture and other art, craft and design techniques

Evaluate and analyse creative works using subject-specific language

Know about great artists and the historical and cultural development of their art
