

October 2025

Extra-Curricular Activities - Autumn Term 2

Dear Parents/Carers,

The Extra Curricular Activities program for Autumn Term 2 starts on Tuesday 4th November 2025 and will run for 7 weeks. **Please note that due to an Inset day on Monday 3rd November all Monday after school clubs will run for 6 weeks only.**

You will need to sign your child up for a full half-term block. We will be unable to make any refunds to you if your child does not attend. Please can you ensure that you speak with your child before booking something to ensure that it is something that they would like to do.

Places are limited, will be bookable through your child's ParentPay account and will be available on a first to book basis.

Booking will be available on Friday 17th October 2025 at 10am.

- The sports extra-curricular activities cost £5 per session and will be run by a sports coach from Sheffield Wednesday Football Club.
- The Forest Schools project run by Rohan Wilson is charged at £9.50 per session. **(due to low uptake last half term, this will now be booked via ParentPay and will need to be booked for the full half term block as it had before, please be aware that should we not get sufficient uptake we may have to cancel the club)**
- Pottery will be run by The Kiln and is charged at £6.50 per session.
- Choir is run by Miss Danks and is £1 per session. (From September 2025 we will now be charging a small fee per session, this is to pay for the travel costs which the school incurs for the Young Voices concert)
- The Crafty Kids club run by Mrs Thompson is charged at £6.50 per session.
- The Computing club run by ComputerXplorers is charged at £8.50 a session.

If your child is in receipt of income based Free School Meals, please follow the link below to request a place on our sports extra-curricular clubs:

"Teach a child in the way he should go, and when he is old he will not turn from it." Proverbs 22:6

Computing After School Club

ComputerXplorers

MINECRAFT EDUCATION

Children will use Minecraft Education to develop key digital skills in a structured and supportive environment. Activities will include: exploring virtual worlds and completing guided challenges, learning basic coding concepts using block-based tools, working together on simple projects to encourage teamwork and problem-solving and building confidence with technology and digital tools.

Every Friday 3:30pm – 4:30pm
(7th November – 19th December)

Deepcar St John's

7 sessions
