## **Extra-Curricular Club – Chess Club**

**Dear Parents and Carers,**

We are pleased to announce that we are exploring the possibility of introducing a **Chess Club** as part of our after-school activities. Chess is a fantastic way for children to develop problem-solving skills, strategic thinking, and confidence - all while having fun!

At this stage, we are gathering interest to help us plan. The club would **most likely take place on Mondays**, with a small weekly cost of **£2.50** to help cover resources. This would need to be paid half termly.

The club would be **suitable for all abilities** - from complete beginners to experienced players. Everyone is welcome!

If you happen to have any **spare chess sets** at home that you no longer need, we would be very grateful for any donations. These would help us offer the best possible experience for the children.

If your child would be interested in joining the Chess Club, please let us know by completing the electronic form.

[Chess Club - expression of interest – Fill in form](#)

Thank you for your support. We look forward to seeing whether this is something our pupils would enjoy.

Many thanks,  
Miss Jones
