

## FUN AFTER-SCHOOL TECH CLUB: EXPLORE WITHIN MINECRAFT EDUCATION

Children will use Minecraft Education to develop key digital skills in a structured and supportive environment. Activities will include: exploring virtual worlds and completing guided challenges, learning basic coding concepts using block-based tools, working together on simple projects to encourage teamwork and problem-solving and building confidence with technology and digital tools.

**Ages:**  
Year 3 to Year 6

4 sessions

**Location:**  
Deepcar St John's  
3:30pm - 4:30pm

**Dates:**  
Fri 27 Feb - Fri 20 March
