New Relationships, Sex, and Health Education (RSHE) Curriculum

Dear Parents and Carers,

I am writing to inform you about the implementation of our updated Relationships, Sex, and Health Education (RSHE) curriculum. As part of our continuous commitment to providing a high-quality education that supports your child's personal development, wellbeing, and safety, we have reviewed and adapted our lessons to align with the latest Department for Education (DfE) statutory guidelines.

The RSHE curriculum is designed to give our pupils the essential knowledge, skills, and understanding they need to lead safe, healthy, and happy lives. The topics covered are strictly age-appropriate and delivered in a sensitive, supportive, and inclusive learning environment.

To help you understand exactly what your child will be learning, we have published the complete breakdown of the new curriculum on our school website. You can find all the details regarding lesson topics, themes, and learning outcomes in the **Curriculum Book**, which is available now in the curriculum section of our website. We strongly encourage you to review these materials so that you can support and complement these important conversations at home.

We highly value the partnership between home and school, and we want to ensure you feel fully informed and comfortable with what is being taught. If you have any questions, would like to view any specific teaching resources in advance, or wish to discuss any aspect of the curriculum further, please do not hesitate to contact me directly through the school office or via email at deepcar.enquiries@deepcarprimarypartnership.co.uk.

Kind regards,

Hayley Hall
RSHE Lead/HLTA
